- The IKC program follows the PWCS school year calendar. We will be closed on holidays as observed by PWCS as well as follow all emergency procedures put forth by PWCS. Please visit the PWCS website at [www.pwcs.edu](http://www.pwcs.edu) to download the school year calendar and for emergency announcement information.
  - IKC follows the decisions of PWCS with regard to delayed openings, cancellations, and early dismissals due to inclement weather.

Full day closing—When PWCS makes a decision to close school all day due to inclement weather, the IKC will be closed for the day as well.

Delayed school openings— On days when PWCS opens late, IKC will open at 6:30 am. The students will be transported to school at the delayed opening time. (IKC will make every effort to open at 6:30 am.) After Care students are welcome when delayed school openings occur (if space permits). IKC is open for all enrolled students for delayed openings due to inclement weather.

Early school closings— IKC will pick up students enrolled in After Care from school at the early dismissal time. IKC will be open until 6:15 pm. In the event of severe weather conditions, energy problems, or other emergencies, IKC may contact parents to pick up students early. On unexpected and scheduled early dismissal days, only students enrolled to attend in the afternoons will be picked up early from school.

Teacher Work Days— On Teacher Work Days (within PWCS's official first and last day of school) IKC offers all-day child care (6:30 am to 6:15 pm) at no additional cost to care for students on these days. Parents must register in advance to attend for each Teacher Work Day.
